Weight

1470 g

Specifications are the default configuration for each model. Components and availability vary by project and volume. Request the current configuration from the contact form.

What sets it apart

01 **USB-C charging**

Charges over a USB type C port, with no proprietary charger to replace.

02 **Classroom connectivity**

Wi-Fi 6 for video calls and learning platforms without dropouts.

03 **Reinforced build**

Spill-resistant keyboard and touchpad, built for the daily use of a student.

04 **Light and portable**

18.8 mm thick and 1470 g, easy to carry between the classroom and home.

Warranty

Warranty and spare parts are handled by the team that built and imaged the unit.
